Rolling away the stone in Calverley Easter 2021

Holy Week

Entering the city on a donkey
Overturning the tables in the Temple
Teaching the people the way of God
Sharing bread and wine
Praying in the garden

Betrayed by Judas
Arrested by the priests
Standing before Pontius Pilate
Crucifixion

Then He rolls away the stone

Stones come in different shapes and sizes
Loneliness and lostness
Worry and anxiety
Stress and struggle
Illness and grief

Today we still need Him to reach out
And roll away our stone
