

**Go Deeper, 13<sup>th</sup> November 2022**

**Remembrance**

Remembrance Day is always profoundly moving, I hope you found the service and John's sermon to be comforting and challenging. John asks this:

*Remembrance Day helps us to remember those who have fallen during the two World Wars this county has been involved in, as well as those who have died serving this country in other conflicts such as Afghanistan and the Falklands War. What are your thoughts as a Christian on war? here are a few questions to ponder on...*

*Are you aware of the Christian philosophy of 'The Just War Theory'?  
When is war justified?  
What might Jesus' reaction be to modern warfare?*

*Here is some Bible Verses to help you wrestle with the problem...  
Matthew 5.38-39 Matthew 26.52 Luke 22.36*

**AMA is coming**

This coming Sunday sees our next termly AMA, so it's time to dig up your questions for us!

Since the last one we've had quite the summer and autumn, with a beer festival, several baptisms, and plans for the upcoming confirmation service. Do any of those events provoke questions for you? We've also had sermons on the resurrection and heaven, on giving, generosity and harvest, on work and workmanship, and a wonderful set of testimonies from TAG. Which of those sermons or Go Deeper have left you with questions?

Do let me know if there's anything you'd like to explore – this only works when we share our curiosity. I personally cherish the growth I have experienced from the shift in perspective your questions bring.

Every Blessing

Rob

**Deeper Stuff**

Nothing new this week; I can only refer you to all the Go Deeper material and the sermons so far this term!
