

**Go Deeper, 23<sup>rd</sup> April Emmaus**

Dear Miners,

Kim's Go Deeper is on the passage in Luke when 2 disciples meet Jesus on the Road to Emmaus, in *Luke 24:13-35*

- Reflect on the passage and consider where you might be in your 'faith journey'. How much have you heard but are yet to understand?
- Jesus explained the scriptures to his companions on the road and may have included these
  - Genesis 3:15
  - Numbers 21:9
  - Deuteronomy 18:15
  - Isaiah 7:14; 9:6; 40:10-11; 53
  - Ezekiel 34:23
  - Daniel 9:24
  - Malachi 3:1

They would have known these verses, but not understood how they applied to Jesus. Consider how with all placed before them and their meaning revealed that the excitement might build and 'their hearts burn within them'.

You could pray that we may be more Jesus like, and that His presence in our lives might be recognised. Lord, help us to seek out those without hope, those in despair and those in need of His touch.

Every Blessing

**Deeper Stuff**

This is the video we played at the start of the service, you might find it helpful. How would you describe Jesus?
